

**Edmonton U10 - (99- 7 20 overs) V Potters Bar U10 (126- 5 – 20 overs)
PB won by 27 runs**

On a lovely sunny July day PB under 10's took on the more experienced Edmonton team. Charlie Scott captained the team for the day and got his first job right by winning the toss. He decided to bat and along with himself Matthew Beadle set about the Edmonton bowling with gusto. They put on 28 after 6 overs before Charlie was out LBW for quick fire 18. Matthew (15) was joined by Matthew Crook (9) who looked equally at home before both were retired. George Avgousti entered the fray and set about the bowling with real venom with 6 fours before being bowled. Callum O'Vell and George Palmer finished the batting with some sensible running pushing the total up to 126 after their 20 overs.

I am delighted to say that the fielding for the whole of the Edmonton innings was top notch with all of the players fielding with real commitment and support for each other with for me was most gratifying. It certainly contributed to the pressure on Edmonton as apart from a hard hitting start from the opening bat the top 6 departed with only a few runs to their name. Tom Marlow only leaked 10 runs from his 3 overs with a wicket courtesy of a good catch from George Avgouti. Harry Abbott equalled Tom's figures getting the Edmonton number 4 bowled. William Metsalaar got the 5 the wicket and both Sam Smith and Price bowled well. Edmonton was well behind the rate as Charlie Scott, Matthew Beadle and George Avgousti took a wicket each to rap up the innings.
