

PBCC U10 V Mill Hill Village
Competition: George Allen 8 a-side Middx Cup
Everyone bats & bowls.

PBCC 337- 2 (127 net)
Mill Hill Village 247 -9 (2 net)

Since everyone needs to bat & bowl success in this competition is reliant on the strength of the side rather than individuals. The eight selected proved too strong for the MHV side.

PB bowled first against their opponents and for the first time bowled far too wide and loose despite this James Ilott (2-7) Luke Jupp (1-12) & Hadley Caswell(1-5) picked up wickets. It wasn't until Freddie Scutt, (2-3) Tim Richards (2-3) came on that we bowled anything like straight enough. However the fielding when required was good despite the overcast cold conditions.

The opening pair of Harrison Palmer (31) & James (18) forced a very quick pace. Luke (10no) & Hadley (7no) continued with some nice shots, Alex Dale and James Catlin played well and Bar only lost 2 wickets in the last 3 overs when the result was all but done.

Well done in cold conditions. Next fixture in this competition will be known soon.
