

Potters Bar Under 11's started their league campaign against Cockfosters on the 2nd may. Cockfosters won the toss and decided to bat. The newly selected Middlesex pace bowler James Ilott opened the bowling with a double wicket maiden, taking 2 wickets in the first 3 balls. From then on the Cockfosters batting couldn't contain the constant pressure from the bowling attack of James Ilott (2-10), Freddie Scutt (1-26), Bradley Ray (2-10), Alex Dale (1-19), Tim Richards (2-9), but we all know that fielding can win you matches and the boys must have saved 40 runs between them, with Cockfosters finishing on 82 for 9 off their 20 overs.

The Potters Bar Openers Harrison Palmer and James Ilott set the pace early on and continued throughout playing some cracking shots and knocking off the total in 10.4 overs. Harrison finishing on 31* and James Ilott 22*.
